1. On January 19, 2024, (the “Petition Date”), Debtor filed a voluntary petition under Chapter 11 of the United States Bankruptcy Code.

2. Pursuant to §§ 1107 and 1108 of the Code, Debtor is continuing in possession of its property and is operating and managing Debtor’s business as a debtor-in-possession.

3. The Court has jurisdiction over this matter pursuant to 28 U.S.C. § 1334(b) and the standing order of reference of the District Court. This matter is a core proceeding pursuant to 28 U.S.C. § 157(b). Venue is proper under 28 U.S.C. §§ 1408 and 1409.

4. Debtor seeks authority to assume the Contracts set forth on Exhibit A.

5. The assumption of the Contracts at this time on the terms stated below is appropriate and in the best interests of Debtor’s estate.

6. Pursuant to Code §§ 365 and 105, Debtor requests authority to assume the Contracts pursuant to terms of the proposed Order to be submitted by Debtor.

## **BACKGROUND**

7. On the Petition Date, Debtor filed for relief under Chapter 11 of the Bankruptcy Code. Debtor is the Debtor-in-Possession pursuant to § 1107(a) of the Bankruptcy Code. No request for appointment of an examiner or trustee has been made. No request to remove Debtor as Debtor-in-Possession has been made. No committees have been appointed or designated.

## **CONTRACTS TO BE ASSUMED**

9. All contracts on attached Exhibit A are current and will be assumed in full according to the terms of each contract.

## **CONTRACTS TO BE REJECTED**

10. All contracts on attached Exhibit B are in default by the customers and will be rejected. These contracts are with customers that Debtor believes are no longer in business.

## **RELIEF REQUESTED**

11. Any objection by a counterpart to a Contract must be filed and served upon the Debtor by the applicable objection deadline and must specify the grounds for such objection, including stating the alleged cure amount (including, on a transaction by transaction basis, calculations and detail of specific charges and dates, and any other amounts receivable or payable supporting such alleged cure amount) if the counterpart disagrees with the proposed cure amount and any other defaults or termination events that the counterpart alleges must be cured to effect assumption of such Contract.

12. Unless a counterpart or any other entity properly and timely files an objection to the assumption of its Contract by the applicable objection deadline, the Debtor may assume such Contract. If an objection is filed and served by the applicable Objection Deadline, and the objection cannot be resolved consensually, then the objection shall be heard at a hearing on the objection.

13. The Debtor requests that unless a counterpart files an objection to this Motion asserting a claim for any amounts due and owing under an executory contract by the applicable objection deadline, such counterpart to the applicable Contract shall be forever barred from asserting a cure amount with respect to the Contract.

WHEREFORE, Debtor requests an Order authorizing Debtor's assumption of the Contracts as described on Exhibit A and rejection of the Contracts as described on Exhibit B and for such further relief as the Court deems just and proper. A copy of the proposed Order is attached to this Motion as Exhibit C.
